U.S. DISTRICT COURT  
DISTRICT OF MASS  
CIVIL ACTION NO. 04 10158MLW

**JOINT MOTION FOR SECOND EXTENSION OF DATES ESTABLISHED****BY SCHEDULING ORDER**

Now come all parties, plaintiffs Robert Olafson and Patricia Olafson and defendants Kyle E. Byrne, BFI Waste Services of Massachusetts, LLC, and Margaret Hamill, and jointly move that the dates established by the Scheduling Order, as previously extended, be further extended for a period of an additional sixty (60) days. In support hereof, the parties say that the defendant Margaret Hamill has been ill and therefore they have not been able to take her deposition. Further, the plaintiffs have continued to seek medical treatment, resulting in the need to obtain and analyze recently created medical records. Further, the parties have had difficulty obtaining in a timely manner some of the medical records, because they are maintained for the most part by providers in the Chicago, Illinois area.

For the foregoing reasons, the parties respectfully request that the Court extend all of the dates on the scheduling order by a period of sixty (60) days.
